

HARIHARAN A

PROFILE

Dynamic Mechanical Engineering graduate with hands-on experience in design, analysis, and testing. Currently working at Lucas TVS in Environment Testing, specializing in alternators, wiper motors, and starter motors. Strong practical exposure through internships and industry projects, with proven ability to learn quickly, solve problems, and work effectively with cross-functional teams. Committed to delivering reliable, efficient, and innovative engineering solutions.

EXPERIENCE

- Lucas TVS Ltd., Chennai MAY 2025- PRESENT
Testing & Development – Environment Department
Role: Graduate Engineer Trainee (GET)

Involved in environmental testing of alternators, wiper motors, and starter motors to ensure product reliability and durability under real-world operating conditions.

Performed testing as per INS, JIS, AIS, and specific customer standards.

- **Vibration Testing:** Set up fixtures and schedule vibration profiles using dedicated software to simulate real-world mechanical stresses.
- **Water Spray Testing:** Conduct IP-level evaluations as per ISO, JIS (Japan), and AIS (Indian) standards.
- **Immersion Testing:** Perform dynamic submersion tests to assess waterproofing and operational reliability under water exposure.
- **Endurance Testing:** Execute long-duration operational tests to determine product lifespan and fatigue characteristics.
- **Climate Testing:** Analyze product behavior under extreme hot and cold conditions using programmable thermal chambers.
- **Chemical Resistance Testing:** Apply automotive chemical agents to verify material compatibility and surface durability.
- **Salt Spray Testing:** Conduct corrosion and aging assessments in controlled salt fog chambers simulating coastal/harsh environments.

Additional Responsibilities:

- Prepare detailed test reports and support root cause analysis (RCA) for validation failures.
- Collaborate with cross-functional teams including R&D, Quality, and Manufacturing for product validation and continuous improvement.

Handled OEM Projects for: Hyundai • Maruti Suzuki • Mahindra • Tata • BMW • Audi • Yanmar • TAFE • Daimler • Ashok Leyland • Indian Railways

EDUCATION

- 2022 - 2025

SRI SAIRAM INSTITUTE OF TECHNOLOGY

Bachelor of Engineering in Mechanical
Grade : 8.13 CGPA

- 2019 - 2022

SRI SAIRAM POLYTECHNIC COLLEGE

Diploma in Mechanical Engineering
Grade : 88%

- 2019

K.V.V.MATRIC.SEC.SCHOOL

SSLC

SKILLS

- Software :MS Office, AutoCAD 2D & 3D, Creo, Fusion 360,Catia
- Programming : Html,Css Javascript,Node.js,Bootstrap PgAdmin ,Git,Postman,Vue.js.

LANGUAGES

- TAMIL
- ENGLISH
